

Number Puzzle 1 to 5 Butterfly

Name
Date

To parents

Write your child's name and the date in the boxes above. Teach your child the order of numbers from 1 to 5. Your child's lines may not be steady at first, but will improve with practice. Make sure to praise your child for his or her hard work.

- Draw a line from 1 to 5 in order while saying each number.

Lemon

- Draw a line from 1 to 5 in order while saying each number.
